#	Question	Additional Context and Comments
1	Is your program on the semester, quarter, or another credit system?	Available options are: Semester, Quarter, Other, Not Applicable. Select "Not Applicable" if the program does not use the available options.
2	What is the number of units required for completion of the program?	The number of units for program completion does not include the number of units needed to earn a degree. It is the number of units required in order for newly enrolled candidates to complete all program requirements and be recommended for the credential or authorization. If the program does not operate in a unit-based environment, enter 0 for this question.
3	In months, what is the expected length of the program if the candidate is enrolled full-time?	The definition for full-time is at the discretion of the institution and the intent of the question is to understand how long, in months, it is expected to take for candidates to finish the program when enrolled full time. The Commission is interested in understanding how long, in months, it is expected to take for candidates to finish the program when enrolled on a full-time basis.
4	In months, what is the expected length of the program if the candidate is enrolled part-time?	The definition for part-time is at the discretion of the institution and the intent of the question is to understand how long, in months, it is expected to take for candidates to finish the program when enrolled on a part-time basis. If no candidates complete your program in a part-time process, enter 0 for this question.
5	What is the total number of hours of clinical practice required in this program?	Clinical Practice is the time the candidate spends practicing the knowledge and skills they are learning in the program. Preliminary candidates have a supervisor who oversees the candidate's clinical practice. See Common Standard 3, page 4.
6	Out of the mandated total 600 clinical practice hours and within student teaching, what is the number of solo or co-teaching hours required?	"...Clinical Practice is a developmental and sequential set of activities integrated with theoretical and pedagogical coursework, and must consist of a minimum of 600 hours of clinical practice across the arc of the program...Student teaching includes a minimum of four weeks of solo or co-teaching or its equivalent..." For additional information, see Clinical Practice Guidance (September 2017).
